## BIBLICAL ALLEGIANCE

The *Daniel Anointing*, as mentioned in Daniel 1:20 was a mantle that equipped a man to operate in an advisory position to a great king (president, leader) with **10X** times the amount of wisdom than any of the king's other advisors. God is placing this mantle on leaders all over the world & they are praying (as we speak) to be lead & do business with like-minded men & women who operate in & long to live life with the same company of people to further advance The Kingdom establishment & agenda for the greater good of mankind.
